

Privacy Policy

The use of EIGENSYSTEMS's Software Services/Websites, services, products and software (collectively, the "Website") is subject to the provisions of this Privacy Policy, including any updates or amendments hereto. By using the Software Services/Website, you agree to the terms of this Privacy Policy and take it upon yourself to consult this Privacy Policy regularly for changes, which may be made by EIGENSYSTEMS without notice and at any time.

General

EIGENSYSTEMS gathers various types of information about its users. This Privacy Policy describes the types of information gathered, how it is used and what choices you have regarding the collection of such information. BY ACCESSING AND/OR USING THE Software Services/Website FOR ANY PURPOSE WHATSOEVER, YOU AGREE TO THE COLLECTION AND USE OF YOUR PERSONAL INFORMATION (AS DESCRIBED BELOW), ALL IN ACCORDANCE WITH THE TERMS AND CONDITIONS SET HEREUNDER. If you are under the age of 13, please do not use the software Services/Website and/or submit any personal information to us.

Information Collection

Certain features of the Software Services/Website may require the submission of personal information. The types of personal information collected with respect to the Software Services/Website may vary depending on the activity. EIGENSYSTEMS may collect or receive additional non-personally identifiable usage information specifically related to the use of a particular feature or offering on the software Services/Website, and responses to the offerings and advertisements presented on the software Services/Website. EIGENSYSTEMS may also collect or receive certain non-personally identifiable technical information.

Use of Information

EIGENSYSTEMS's primary objective in collecting information is to provide and enhance the Software Services/Website and to enable users to enjoy the Software Services/Website. The information is used to operate EIGENSYSTEMS's features, to fulfil your specific requests, to personalize the content provided to you, to communicate with you and to conduct research about your use of the Software Services/Website and to help offer you other products or services that may interest you. EIGENSYSTEMS may use your personally identifiable information to present you with offers on behalf of advertisers and business partners. However, while EIGENSYSTEMS's business partners and advertisers may receive aggregated data about EIGENSYSTEMS users, any personally identifiable information of yours will not be shared with third parties, unless you have consented to the sharing of this information. Please note that, notwithstanding the foregoing, your information may be disclosed if requested by applicable regulatory authority and/or court with applicable jurisdiction, as determined in good faith by EIGENSYSTEMS. Furthermore, EIGENSYSTEMS may transfer personally identifiable information in the event of a transfer of ownership of EIGENSYSTEMS or any of its Software Services/Websites or products, in which event, your information could become subject to a different privacy policy.

Browser Use

Note that in the ordinary course of internet activity, certain information may be sent from your browser to third parties such as advertising networks and analytics companies. EIGENSYSTEMS has no control over the information sent from your browser to those networks or other third parties and recommends that you ensure that your browser settings prevent the disclosure of information you would like to keep confidential.

Cookies

Like many Software Services/Websites, EIGENSYSTEMS may use "cookies" to collect information. A cookie is a small data file that is transferred to your computer's hard disk or your mobile device for record-keeping purposes. Information contained in a cookie may be linked to personally identifiable information for purposes such as improving the quality of EIGENSYSTEMS's services, tailoring recommendations to interests and making the Software Services/Website easier to use. Third party advertisers on the Software Services/Website may also place or read cookies on your browser. Cookies can be disabled at any time by changing your web browser's options to stop accepting cookies or to prompt you before accepting a cookie from the Software Services/Websites you visit. Please note that some functionality of our Software Services/Website may be impaired if you decline to accept cookies.

Links

The Software Services/Website may contain links to other Software Services/Websites or applications. The fact that the Software Services/Website links to a Software Services/Website or application or presents a banner ad or other type of advertisement does not mean that EIGENSYSTEMS endorses or authorizes that third party, nor is it a representation of any affiliation with that third party. If you click on a link to a third party site or application, including on an advertisement, you will leave the Software Services/Website and will go to the site or application to which such link directs you. Other sites and applications follow different rules regarding the use or disclosure of the personal information you submit to them. Because EIGENSYSTEMS cannot control the activities of third parties, it cannot accept responsibility for any use of your personal information by such third parties and it cannot guarantee that they will adhere to the same privacy and security practices as EIGENSYSTEMS. You are therefore encouraged to read the privacy policies or statements of the Software Services/Websites and applications you visit/use, before providing any personal information.

Social Platforms

EIGENSYSTEMS may, at its sole discretion, display any content displayed or created on the Software Services/Website, on any social platform such as Facebook, Twitter, Instagram, Pinterest, LinkedIn and the like.

Security

EIGENSYSTEMS takes reasonable technical and organisational measures to secure your personally identifiable information from accidental loss and from unauthorised access, use, alteration or disclosure. However, EIGENSYSTEMS cannot guarantee that unauthorised third parties will never be able to overcome those measures or use your personally identifiable information for improper purposes. In addition, please note that email and messaging systems are not considered secure, so EIGENSYSTEMS discourages you from sending EIGENSYSTEMS personally identifiable information through these media.

Parents

EIGENSYSTEMS believes that protecting the privacy of young children is highly important. For that reason, EIGENSYSTEMS does not knowingly collect or maintain personally identifiable information on the Software Services/Website from persons under 13 years of age, and no part of our Software Services/Website is directed to persons under 13. If you are under 13 years of age, then please do not use or access the Software Services/Website at any time or in any manner. If EIGENSYSTEMS learns that personally identifiable information of persons under 13 years of age has been collected on the Software Services/Website without verified parental consent, EIGENSYSTEMS will take the appropriate steps to delete such information.

Modification and Deletion

In order to delete personally identifiable information you submitted, please contact us. If you wish to modify or update your personally identifiable information, please use the Software Services/Website. Please note that deletion of any of your personally identifiable information from EIGENSYSTEMS's database will not prevent EIGENSYSTEMS from using anonymous information gathered. If you require any kind of help, please contact us at info@eigensystems.com.au

Non-Australian Users

The Software Services/Website is hosted in the Australia. If you are accessing the Software Services/Website from a jurisdiction with privacy laws or regulations that differ from Australia laws, please be advised that through your continued use of the Software Services/Website, you may be transferring your personal information to the Australia and you consent to that transfer. This Privacy Policy is incorporated into and is subject to EIGENSYSTEMS Software Terms and Conditions.
